OVERVIEW

Do you yearn for a Bachelor of Nursing?
Do you want an international and high-quality qualification?
Do you want to have exportable skills that give you options for the future?

Look no more. This is not just a Bachelor of Nursing (Top Up). With La Trobe University (LTU), Australia as academic partner and awarding body, you will achieve an international qualification that is exportable to the rest of the world. In a profession as delicate as nursing, credibility is everything. La Trobe University Nursing School, has for motto, "Caring at the heart of all we do" and starting in 1974, is the first and oldest school of Nursing established in Australia.

In 2018, the Bachelor of Nursing ranked in the Top 100 of the 2018 QS World University Rankings. Polytechnics Mauritius is proud to partner with La Trobe University because it makes sense. Today in Mauritius, there is no Top Up degree for Diploma in Nursing holders, especially one that is high quality, internationally recognized, affordable and inquiry-led to stimulate higher order thinking and higher-level care. This Bachelor programme equips students with the theory-based knowledge and skills to work in many of the new and expanding fields of healthcare and nursing.

Register for the La Trobe University Bachelor of Nursing (Top Up) at Polytechnics Mauritius today! Don't waste time, it's yours to take.

DURATION
