OVERVIEW

Do you want to become an International player in the Beauty and Spa Industry? Are you passionate to embark on a free course that is certified by one of the best Beauty and Spa institutions in the World? Do not wait, join our course in Diploma in Beauty and Spa Management and launch your career.

The CIDESCO Diploma is the world's prestigious qualification for Aesthetics and Beauty Therapy which has set international standards since 1957. PML is proud to provide training and education in a wide range of beauty and spa therapies to produce graduates of the highest caliber. Sought after by employers worldwide, the CIDESCO Diploma is a mark of high achievement, fully opening up a world of career opportunities to graduates.

This 2 – year programme enables the students to undergo a sustained learning both in campus and in industry; 50% of their time will be on campus and 50% in industry. During their time, their apprentices will benefit from the state-of-the-art set up on campus for practical training. The industrial experience will enable the student to put in practice the skills and competencies acquired and develop their professional experience.
