DIPLOMA IN

INTERIOR ARCHITECTURE

AWARDING BODY

UCSI University is a vibrant community of learning and scholarship. At present, more than 12,000 students study at the University. Over the years, students from 110 different countries have studied at UCSI University, making the campus a melting pot of culture and diversity. As one of Malaysia's first private universities, UCSI University has long impacted the national higher education landscape and the University continues to do so with its wide range of undergraduate and postgraduate programmes.

PML is pleased to collaborate with such a renowned University recognised worldwide by bringing the Diploma in Interior Architecture at the very door step of every student in Mauritius. It is a life-time opportunity which you should not miss.

THE PROGRAMME

The Diploma in Interior Architecture is designed to provide you with a professional understanding of space and how good spatial qualities are created. Using both representational and technically sound drawings, you will be able to reinforce your creativity through effective communication of design. Throughout this course, you will generate more than just brilliant ideas - you will turn them into realities.

During the 2.5 years at PML, you will have the opportunity to intern in various architectural firms such as Construction, Interior Design and Architectural Firms. By the end of the programme, you will emerge with a solid portfolio and foundational knowledge in interior architectural design. Discussion is ongoing with the Professional Architects Council (PAC) of Mauritius for the accreditation of this Course and for you on completion of the Diploma to be eligible to be registered with the Professional Council in Mauritius.

CAREER & PROGRESSION OPPORTUNITIES

With experience and a qualification like the Diploma in Interior Architecture, Graduates may venture into other fields of expertise, such as:

- > Interior Architect/Designer/Consultant
- > Project Manager
- > Environmental & Theme Park Design
- > Residential Design
- > Hospitality & Healthcare Design
- > Technical Assistant / Draftsperson
- > Site Supervisor
- > Lighting & Furniture Design
- > Retail & Commercial Design

THE DURATION

2.5 years (Including 24 weeks Industrial Experience)

ENTRY REQUIREMENTS

3 Credits at SC Level
